Observations... From Around Town

(BY JAY WHOZIT)

Whether we stayed at home and took part in local Carnival festivities, or journeyed to New Orleans to view the sights there, we awoke on Wednesday to the realization that we faced the season of "sack cloth and ashes", namely the forty days of Lent, during which we should have ample time to atone for our misdeeds... we are honored this week to have in our midst General George C. Marshall, former Secretary of State and Mrs. Marshall, who were guests of Mr. Leonard K. Nicholson, at this summer home here... also seen in town during the week was "Johnnie" of Phillip Morris radio fame... the Carnival Ball on last Friday night, at which Mr. E. M. Brignac and Mrs. W. A. Prewitt, Jr., reigned supreme, was truly an elaborate affair and to give a word picture of its beauty beggars all description... a complete account of the Ball appears elsewhere in this issue... the Carnival celebration and parade sponsored by the Bay High P. T. A. was successful beyond the expectation of the sponsors and the public as well, and gives every indication of reviving the old-time Carnival spirit for which our town was noted in years past... the Red Cross Drive officially opened on March first and it is hoped that our county's quota of \$4,054.00 will be met in record time... according to John Bell, chairman of the temporary Bay-Waveland Yacht Club committee, the total amount of the \$35,000.00 goal is expected to be met this week. We certainly hope so because this is a big thing for Bay St. Louis and Hancock County and will bring untold benefits to our shores... the new registration of voters, as ordered by the Hancock County Board of Supervisors, will begin on April first and continue through May until all persons of voting age in Hancock County's twenty-five precincts will have been registered... Mayor Carver has called a meeting for next week to organize a volunteer fire department, and asks that anyone interested may attend... Rat poison was being distributed in Bay St. Louis by Wayne Alliston of the Hancock County Health Department, in business houses and residences as well... This is for your protection, so please cooperate with officials doing the work... the state high school boxing tournament will be held at Bay High School Gym on March 10, 11 and 12, and six schools with about seventy entrants will participate... we want to say, Mayor Carver, that your enforcement of the automobile parking and traffic laws seems to be getting the desired results, judging from the way cars are now being parked within the parking lines, and we urge you to continue your drive until all drivers have been thoroughly schooled in the art of driving and parking... now that spring is just around the corner we recommend that folks start their annual cleanup campaign.

SPEAKS BEFORE WSCS AT PICAYUNE

Mrs. C. C. McDonald addressed the Womens Society of Christian Service of the Picayune Methodist church at Picayune on Monday. Mrs. McDonald talked on the work of the society in the church and its expanded program and increase of finances for the coming year. Mrs. W. A. McDonald, Mrs. C. M. Shipp, Mrs. Maud Smith accompanied Mrs. McDonald to Picayune.

An Appeal For Azalea Plants

With no funds on hand for the purchase of more plants Mayor Warren Carver has announced that azalea plants to be placed around the large oak trees on the City Hall grounds would have to come through the generosity of those who are interested in the beautification of the park. All who might like to donate one or more plants are asked to kindly call the mayor.

Red Cross Benefit

The attractive garden, Holly-Bluff-on-the-Jordan, will be opened to the public on Saturday and Sunday afternoons with a small admission charge, for the benefit of the Hancock County Red Cross Drive. The beauties of Crump's garden are well known to the public and at this season of the year it affords more beauty, so avail yourself of this opportunity to see Holly-Bluff-On-The-Jordan. And in this way help the Red Cross which is always standing by to help others.

Sixteenth Annual Carnival Ball Held Last Friday Evening

E. M. Brignac, King; Mrs. W. A. Prewitt, Queen; Ball Called Most Elaborate Ever Held

The sixteenth annual Carnival Ball, sponsored by the Mothers' Club of St. Joseph's Academy, was held on Friday evening, February 25th, with E. M. Brignac and Mrs. W. A. Prewitt, Jr., reigning as king and queen for the festive occasion.

The ball, given at St. Joseph Academy auditorium, and hailed by many as the most elaborate yet given, had as its theme, "In the Days of King Arthur" and opened with a tableau depicting the finding of the Holy Grail by Sir Galahad. The curtain rose on a stage arranged as a room setting with an alcove in which the chalice was found by Sir Galahad. The Royal throne was enclosed within the alcove. On either side of the stage was a jester, Frances McAlpine, and a bard, Honorine Damborno.

The maids entered from the rear of the hall and joining their dukes, formed a semicircle at the foot of the stage.

The queen was escorted to the stage by Dr. James A. Evans, where her king awaited her. Also on the stage were Dr. Emmett Lee Irwin, and Mrs. Horace L. Kergosien, last year's king and queen.

The queen wore a dress of heavy white satin and velvet, fashioned with a tight fitted bodice and billowing skirt, the front of which was trimmed with flowers made of colored sequins, from the neckline to the hem. On either side were designs of sequins in the form of shields in keeping with the theme of the ball. She carried white orchids and stephanotis on a silver shield. Her mantle was of heavy blue velvet, trimmed with a design of sequins and finished with a high rhinestone collar. She wore a jeweled crown and carried a jeweled scepter which was presented to her by her king.

Her trainbearers, Suzie Prewitt and Margie Prewitt, wore floor length dresses of white satin, made with light fitted bodice, puffed sleeves and bouffant skirt, trimmed with silver sequins. On their heads were peaked hats of satin and silver sequins.

The pages, John and Raymond Prewitt, wore white satin suits with a shield of silver sequins on the shirt and plumed caps.

The maids wore evening dresses of pastel shades, with head dresses in keeping with the days of King Arthur. Their flowers were carried on silver and gold colored shields.

Comprising the court were the following maids and dukes, in order of entrance:

MAIDS
Mrs. P. E. Porter, Jr., Mrs. O. L. Radford, Mrs. Shelby Tucker, Mrs. J. L. Griffin, Mrs. J. R. Shadoin, Mrs. L. A. Rogers, Mrs. R. L. Camors, Mrs. J. S. Blanchard, Mrs. D. M. Russell, Mrs. R. L. Hamilton, Mrs. R. deMontluzin, Miss M. diBenedetto, Mrs. James Seghers, Mrs. A. L. Mauffray, Mrs. S. T. Assenheimer, Mrs. D. L. Tonkel, Mrs. John Joyce, Mrs. O. W. Delph, Mrs. E. F. Fahey, Jr., Mrs. E. E. Wiegand.

DUKES
Mr. L. A. Rogers, Mr. D. L. Tonkel, Mr. O. L. Radford, Mr. D. M. Russell, Mr. Rene de Montluzin, Jr., Mr. R. L. Hamilton, Dr. J. L. Griffin, Mr. James Seghers, Mr. Shelby Tucker, Mr. P. E. Porter, Jr., Mr. J. R. Shadoin, Mr. J. S. Blanchard, Mr. O. W. Delph, Mr. W. A. Prewitt, Jr., Mr. John Joyce, Dr. B. L. Ramsey, Mr. T. T. Robin, Mr. E. E. Wiegand, Mr. R. L. Camors, Mr. Horace Kergosien.

The decorating committee, composed of members of the S. J. A. Mothers' Club, was headed by Miss Kathleen Renshaw and Mrs. W. DuComb, as co-chairladies. Head dresses were by Mrs. Bess Kelly, E. C. Carrere and Dr. J. A. Evans were co-chairmen of the ball. Dr. J. L. Griffin was chairman of the court.

Following the ball the king entertained his court and friends at a midnight supper at Hotel Reed. The king's table was centered with an arrangement of yellow acacia, yellow gladioli, yellow roses, lavender gladioli and purple iris, and from the walls and columns masks grined at the guests. Tall floor baskets filled with the same flowers, with a background of palms, formed a setting for the receiving line. Here the king and his queen received their guests. Dancing until the wee hours of the morning featured the entertainment.

During the war, Navy Personnel consumed one pound of meat per day, twice as much as they were accustomed to as civilians.

In their first month of operation in the Berlin Airlift, the two Navy squadrons flew 5,249 hours, carrying 14,101 tons of cargo.

BAY-WAVELAND YACHT CLUB NOW APPEARS A CERTAINTY

Goal of \$35,000 Expected to Be Met This Week—Plans For Building To Be Prepared at Once

The goal set by the temporary committee, headed by John Bell, for the reestablishment of the Bay-Waveland Yacht Club is \$35,000.00, and up to last Monday night, more than \$30,000.00 had been pledged, and Mr. Bell states that by the end of this week, he is quite sure the entire amount will have been reached.

Pledges from \$50.00 to \$1000.00 have been made by one hundred and forty-five citizens of Bay St. Louis and Waveland, and about twenty-five more are expected to make pledges this week.

When the financial goal has been reached, work will continue as rapidly as possible to select plans and specifications for building of the club house. Bids will be asked for building, clearing the lot, dredging the yacht club pen and building the slips.

According to the temporary committee, who met on Thursday night to rush work on the plans, it seems possible that the yacht club will be completed by the middle of the coming summer.

GENERAL MARSHALL GUEST HERE AT NICHOLSON HOME

Bay St. Louis is signally honored at having as a visitor here former Secretary of State George C. Marshall and Mrs. Marshall who have been guests here of Leonard K. Nicholson, president of the Times-Picayune Publishing Company, at his summer home.

General Marshall has been spending much of his time fishing and is enjoying a complete rest. He came for quiet and rest, Mr. Nicholson said.

Mr. Nicholson and General Marshall were roommates at Virginia Military Institute.

General Registration Order Issued

The Hancock County Board of Supervisors, at their January, 1949, meeting, passed an order calling for a county-wide general registration of voters, and ordered the Circuit Clerk to prepare a list of dates and places of registration, to be published in order that all persons of voting age might acquaint themselves with dates and places, so that no one will have an excuse for not registering. According to the order anyone not registering will be ineligible to vote after July First, 1949, as the old registration and poll books will become null and void after that date.

This will be the first general registration of voters in Hancock County in more than twenty years, and no one should fail to register. The registration and poll books are open to the public at all times in the Clerk's office, in the Courthouse.

The official registration order as issued by the Hancock County Circuit Clerk follows:

P. T. A. Mardi Gras Celebration and Parade Proves Great Success

MAYOR W. J. CARVER
AND T. T. ROBIN
ON TELEVISION

Bay St. Louis was on the air, on the ear and on the eye on Monday night over WDSU radio television "Salute The City" program.

Mayor W. J. Carver gave short histories, as the slides were shown of Bay High School, St. Joseph Academy, St. Stanislaus, St. Augustine Seminary and the J. L. Crump Garden and home, "Holly-Bluff-on-the-Jordan" and the Dr. Emmett Irwin home.

Mr. Carver also said that the City of Bay St. Louis, though making a slow recovery from the 1947 hurricane, was coming back and that bigger and better days are ahead.

T. T. Robin, president of the Hancock County Chamber of Commerce, spoke on the business angle of our city and said that while Bay St. Louis is not a commercial city and has few industries it is an ideal place to live and a fine place to send children for their early education.

"New homes are being built all around us," Mr. Robin said, "and more and more people are recognizing the value of Bay St. Louis as a residential city."

Then young Warren Carver, Jr., the Mayor's son made his bow. The entire program was timely, informative and a boost for the city.

S. J. A. Parents Club To Meet March 8th

The regular monthly meeting of S. J. A. Parents Club will be held next Tuesday, March 8th, in the School Library at 3:15 p. m. Because the first Tuesday fell on Carnival Day, the meeting was postponed.

OUR TOWN

By WARREN J. CARVER

Many requests have come to us for something to be done about the unsanitary condition existing in some of the drainage ditches within the corporate limits. Through the cooperation of the local County Health Department, the State Board of Health sent one of their Sanitation supervisors to make a survey of the situation. His report is as follows:

February 21, 1949

Mayor and Commissioners
Bay St. Louis, Mississippi.

Gentlemen:

At the request of the Hancock County Health Department a survey was made of certain sections of Bay St. Louis from which numerous complaints have been received by both the local health department and your office relative to the unsanitary condition existing in the street and drainage ditches.

These sections of Bay St. Louis are very low and flat and have such a high static water level that, in many instances, the proper functioning of a private sewage disposal system is practically impossible. The effluent from these systems empties into the street ditches, most of which are so clogged with vegetation and silt that they do not drain at all, the result being constantly standing stagnant water which is very malodorous and ideal for the breeding of certain species of mosquitoes.

The only permanent solution to this problem, and the one that we recommend, is for the city to have a sanitary sewerage system and treatment plant installed to serve these areas. However, it is my understanding that Bay St. Louis is financially unable to undertake this venture at the present time, and will have to resort to other methods to eliminate these unsanitary conditions.

The health department cannot approve of the effluent from private sewage disposal systems and grease traps emptying onto the surface of the ground or into any street or ditch. However, since it is apparently impossible in some areas to dispose of this waste underground, it is felt that this practice will have to be permitted to continue.

To eliminate, in so far as possible, nuisances arising from these conditions, it is recommended that the city, in cooperation with the local health department, carry out a carefully planned maintenance program in these sections which, it is felt, should include the following:

1. Where needed, require property owners to construct septic tanks and disposal fields with positive outlets permitted only when necessary. The effluent from the disposal fields being made to seep through a shell, cinder, or gravel trench before being allowed to discharge into any ditch or stream.
2. Use available equipment and manpower to immediately clean out all ditches and streams.
3. Lower street and driveway culverts where necessary to permit proper flow and drainage of ditches.
4. Repair concrete inverts where sunk or broken.
5. Employ a crew of two men the year around to maintain these ditches and keep them free of vegetation, debris, and silt; and to spray with a larvicide at regular intervals to prevent the breeding of mosquitoes.
6. During dry periods flush the ditches out periodically.

It is realized that this is not an ideal solution to this problem, but it is felt that if the above recommendations are conscientiously carried out the benefits derived from this work will be much greater than the time and money expended.

It is sincerely hoped that in planning improvements to be made by your city in the future, that you will be able to include the installation of a complete sewerage system and modern treatment plant.

Very truly yours,
CLYDE X. COPELAND
Advisory Sanitation Supervisor.

VOLUNTEER FIRE DEPARTMENT TO BE FORMED

Plans are now being drawn for the formation of a Volunteer Fire Department for Bay St. Louis. Mayor Warren Carver stated that a meeting of all those interested in becoming active members of the department will be held on Friday, March 11, 1949, at 8:00 o'clock at the Courthouse.

Telephone Service at Best Level Since Prewar Years States Bell System's Annual Report For 1948

Bell Telephone service was improved during 1948 to the best level since prewar years, and new facilities were required to further improve the service and to meet demand were installed at the highest rate in history, LeRoy A. Wilson, President of the American Telephone and Telegraph Company, states in the Company's annual report made public today.

Bell System 1948 expenditures for new construction totaled nearly one and 1/2 billion dollars and new capital raised exceeded \$1 billion. Since the end of the war, the system's needs for service, the system has obtained some \$2,750,000,000 of new capital, about two-fifths of its capital of \$6,831,000,000 now outstanding. Telephones increased by 2,860,000 to nearly 31,400,000 and calls reached a new high of 177,000,000 a day. Four out of every five new applications for service were cared for but demand was so great that 1,150,000 people were waiting at the year's end. Average time for completing out-of-town connections has been cut to 1.8 minutes — 20 per cent faster than a year ago.

Consolidated net income of the bell system applicable to A. T. & T. Company stock in 1948 was \$222,416,000, or \$9.86 per share on the average per share investment of over \$134. American Company net income amounted to \$9.20 per share. Telephone plant investment rose to \$8,619,000,000.

New financing since the war, has increased the proportion of debt in total Bell System capital from about

one-third to slightly more than one-half. "The heavy construction program will continue to require large additional amounts of new capital," Mr. Wilson said, "and sound financing for the long run requires that the greater part of the new money come from the issue of stock through bond conversions or otherwise. These facts emphasize the need for earnings that will attract and safeguard additional equity capital."

While operating revenues were up 102 percent over 1941, the last prewar year, operating expenses have increased 148 percent in the same period. "The average rate of earnings of the Bell System since the war on the total capital invested in the business has been even lower than the subnormal earnings during the war, which were the lowest in the system's history up to that time except for the worst years of the depression in the early 1930s," Mr. Wilson said.

Wage and other costs have continued to rise and Mr. Wilson declared it important that proper adjustments in prices for telephone service be made effective as promptly as possible. He said that rate increases pending, plus those already granted, average only 18 per cent of revenues and that telephone rates have increased far less than the cost of living and the rise in telephone wages and other costs of operation.

Regarding the anti-trust suit against A. T. & T. and Western Electric, the report says the charges are without foundation and that the Companies will contest the suit to the limit.

Progress of Bell System research since the war has been "tremendous." During 1948 marked advance was made in installing equipment which enables customers to dial calls to nearby cities in the same manner as local calls. New equipment developed by Bell Telephone laboratories employs an electric "Brain" to complete the calls while automatic apparatus gathers information for billing.

Other important current research developments include a completely new type of amplifier called the transistor, a new method for carrying more conversations on short toll cables, improvements in radio relay systems and a new "Alphet" telephone cables covered with tough plastic as a substitute for lead.

New long distance dialing networks now enable operators to dial calls straight through to distant telephones in some 300 cities, the result is faster and more accurate service.

With the recent linking of east coast and midwest networks for television transmission, programs can now be broadcast simultaneously from the Atlantic to the Mississippi by 32 television stations in areas where 40,000,000 people live.

Rural telephones have increased 65 percent since the war; during this

period the Bell Companies have installed rural telephones three times faster than ever before.

During 1948 the Company's stockholders increased by 42,000 to a new high of 765,800. Shares outstanding increased by 1,862,881 to a total of 23,350,963. About one in every 60 families in the United States shares directly in the ownership of the Bell System.

Mr. Wilson, concluded by emphasizing the importance of the many new and improved facilities being incorporated in the telephone plant. He expressed confidence that "the American people understand the need for maintaining on a sound financial basis the essential public services performed by the Bell System" and said the system looked forward to providing a service better and more valuable than at any time in the past.

AMERICAN LEGION TO SPONSOR EGG DERBY

The American Legion, Clemat R. Bontemps Post 139 is bringing a new and possibly profitable idea to Bay St. Louis in starting an Annual Egg Derby.

The project will be carried on long the lines of a sweepstake or horse race. Instead of horses the entries will be Eggs. Each egg will have a number and name as well as a sponsor.

The sponsor will be picked from among the young ladies of this area. "The Hatching" will be sponsored by a New Orleans hatchery. Actual date of setting will be Saturday, March 26, 1949. Date of hatching will probably be Saturday, April 16, 1949.

Investments on entrants in derby will be accepted in twelve places about town. The limit placed on investments to be \$10 on any entrant by one person.

Dividends on investments will be determined by the mutual system currently being used at all race tracks. Odds on various entries will vary according to amount of investment made by investors.

World War II veterans receiving education or training under the GI Bill are urged by the Veterans Administration to include the name and address of their school or training establishment in all correspondence with V. A.

This information should be included in addition to the clearly legible, complete name and address of the veteran and the extremely important claim number.

Student-veterans and job-trainees who follow this advice will expedite any action on their case by V. A. and avoid delays often caused by lack of sufficient information contained in correspondence for veterans.

Veterans Administration has conducted a training program for corrective therapists at the Winter VA hospital in Topeka, Kansas, to broaden their understanding of the needs and problems of neuropsychiatric patients.

The course—the sixth given for corrective therapy personnel in VA

hospitals—was a joint program of the Division of Physical Medicine Rehabilitation of VA's Department of Medicine and Surgery, and the Division of Adjunctive Therapy of the Institute of Psychological Medicine.

Training programs previously were conducted at VA general medical and surgical hospitals in Richmond, Virginia; Hines, Illinois, and Los Angeles, California. Two previous courses also were held at the Topeka hospital.

Future training programs are planned for the Topeka VA hospital and for other general medical and surgical hospitals, to keep corrective personnel informed of the latest development in their field.

QUESTIONS & ANSWERS

Q—I am a World War II veteran. Is my wife eligible for treatment at a VA hospital?

A—Not unless your wife is an ex-service woman. Dependents of veterans are not entitled to hospitalization under the VA.

Q—I want to give the beneficiary of my NSLI the right of choosing, in the event of my death, either a lump sum settlement or any of the available monthly payments plans. If I designate no option, will she have this right?

A—No. Payment in a lump sum may be designated only by the in-

sured. However, if you provide for lump sum payment, she may have her choice of available plans.

Q—The automobile furnished me by VA was totally wrecked in an unavoidable accident. Will VA give me another one?

A—There is no provision under the law to provide more than one automobile to an eligible veteran.

Q—Must a disabled veteran go to a vocational school or may he go to a liberal arts college, a high school, or similar institution under the Vocational Rehabilitation Act?

A—He may enroll in any VA-approved educational institution or training establishment offering the course of training which Veterans Administration has found that he needs to insure his proper rehabilitation in line with his own desires.

Clermont Harbor And Lakeshore News

The regular monthly meeting of the Blue Jean Garden Club of Clermont Harbor was held at the home of Mrs. H. L. Wesner, Sr., on Monday, February 21.

Those attending were: Mesdames Ben Peterson, Wayne Hazlett, Chas. Augustin, J. P. Rousseau, E. O. Bonnetarre, John Saleeby, H. L. Wesner, Sr.

Mrs. John Saleeby won the entrance prize, a potted fern. The blue ribbon for flower arrangement was won by Mrs. F. O. McCoy.

We are expecting a guest at the March meeting who will demonstrate flower arranging. Each member is asked to bring as many arrangements as they care to to help in the demonstration. Let's all be present. The next meeting will be at the home of Mrs. A. J. Carrick.

The Blue Jean Garden Club of Clermont Harbor sponsored a trip to Bellingrath Gardens on Wednesday, February 23. It was a sunny day and the Gardens were at their best, very brilliant with Azaleas and Camellias in full bloom. Upon leaving the Gardens the bus drove into Mobile and through the tunnel then followed the Azalea Trail on the way out.

Those making the trip were: Mesdames J. P. Rousseau, Ben Peterson, Ruth Miller, H. Russ, Willie Spence, John Neacise, C. E. Becker, David Graham, John Saleeby, A. G. Dantagnan, H. Burleigh, Theo. Schroth, A. J. Carrick, I. J. Williams, Ola Moran, L. J. Kern, Roy Dennis, Robert Gough, A. J. Fleming, R. J. Ladner, John Erskine, Wayne Hazlett, J. U. Jagot, H. L. Wesner, Sr., Mr. H. L. Wesner, Sr.

The Clermont Harbor Home Demonstration Club met with Miss Madge Allred, County Demonstration Agent, at the home of Mrs. Ola Moran. Miss Allred displayed a very beautiful hooked rug and gave instructions for making rugs of old woolen material and new yarn.

RELIEF AT LAST For Your COUGH

Creamulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creamulsion with the understanding you must like the way it quickly allays the cough or you get your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Mrs. C. E. Allen of Clermont Harbor showed some very lovely braided rugs and demonstrated how to make them.

This was the largest meeting the club has had. There were fifteen of our twenty-three members present.

The March meeting will be held at the home of Mrs. Harold Burleigh and the demonstration will be "Seams and Finishes."

TAYLOR SCHOOL NEWS

The Junior Garden Club of the R. W. Taylor Primary School has been very busy with the bird study program, enjoying the many things we learn about our robins, mockingbirds and cardinals.

They learned how the birds taught man to do many things, to build and to fly and make music. They destroy bugs and mice that damage the farmer's crops. They scatter seeds from which grow trees and wild flowers. They are truly good friends. We should protect them in every way we can.

We have had much fun watching our clown plant grow his green hair. The nice lady who gave him to us visited the school and we enjoyed seeing her.

We enjoyed a visit from Mrs. Rollins, President of our sponsor club. We are working hard to prepare for the Junior program next month, we want to show these ladies we appreciate the help given us to learn about the beauties of nature.

Can Black-Draught Help an Upset Stomach?

Yes, Black-Draught may help an upset stomach if the only reason you have an upset stomach is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. UNITED GAS TO ADVERTISE SOUTH IN NATIONAL MAGAZINES

Four national publications will be used by United Gas in 1949 as the company continues to advertise the opportunities for industrial development in the Gulf South.

The 1949 advertising program will open in the March 7 issue of TIME magazine with a double-page spread in three-colors. Manufacturers Record and Business Week will carry the same ad while a black and white reproduction will appear in The Wall Street Journal.

On March 21, TIME will carry a full-page two color ad that will recognize 41 Central Mississippi communities now served by United Gas. Similar ads in the other three publications will follow.

The 1949 series is a contribution of the company's advertising program which was launched nearly 10 years ago to stimulate development of industry in the Gulf South. Last year, various areas received recognition but the 1949 ads will be the first to call attention to individual communities.

In subsequent issues, other communities served by the company in Mississippi, Alabama, Florida, Louisiana and Texas areas will be mentioned in special full-page, two color advertisements.

Each ad in the 1949 national series will go into the hands of nearly 2,000,000 subscribers of the four publications, which has a wide distribution among heads of the industry throughout the United States.

"Send The Red Cross!"

More than 300,000 people say "Thanks" for the help you gave in disasters through Red Cross last year. Give in '49.

You can aid desperate victims of disaster by giving to the Red Cross Fund Campaign now! Help safeguard America!

That was the desperate cry of a man calling for help when there was more of Texas City in the air than on the ground.

That same cry rose above the Florida hurricane winds of last year, above the roar of the forest fires that charred dozens of communities in Maine the year before, above the thunder of raging, swollen rivers throughout the country year after year.

For 67 years you have answered that cry for help through your Red Cross. By appointment to the people the Red Cross has served as your representative, translating into action your desire to help men, women and children made helpless by disaster.

Last year, through your Red Cross, in 303 disaster relief operations you brought emergency care and rehabilitation aid to over 300,000 people at a total cost of 12,771,022.

Once a year you renew your appointment of your representative, the Red Cross, by giving the funds to carry out the never ending job of disaster operations.

Now is the time you can help before it happens by giving through your Red Cross.

Waveland News

On Tuesday, February 22nd, the first annual Hancock County Relay sponsored by the Board of Supervisors was held. The Waveland Elementary School came through victorious in their division. Each member of the team was presented with a gold medal, and trophy was awarded to the school.

The following boys participated in this event: Malcolm Moreau, John Peterson, Joseph Tanet, Louis Ladner, Roland Soldini, Joseph Bourgeois, Donald Dorn, Donald Peterson, Leroy Peterson, and Ronald Landers.

Mr. and Mrs. Clayton Priest and son Terry of Newark, Ohio, drove

down to New Orleans to spend the Carnival Season with Mrs. Priest's parents Mr. and Mrs. A. G. Assenheimer. They spent Washington's Birthday with Mrs. Priest's grandparents Mr. and Mrs. E. J. Salama here in Waveland.

Their son Terry is Mr. and Mrs. E. J. Salama's great-grandson.

Word has been received that Mr. and Mrs. Ken Molony are the proud parents of a fine baby girl who arrived on Valentine's Day and weighed 7 pounds, 9 1/2 ounces. Her name is Karen Ann. Mrs. Molony is the former Miss Marie Hilda Leonhard.

Mr. and Mrs. Lloyd Bourgeois gave a party in honor of their daughter Carol Ann who celebrated her third birthday on Sunday.

The living room was decorated in white and pink. The table was covered with a lace cloth and in the center was the birthday cake decorated in white and pink.

Games were played and prizes won by Norma Ann and Norman Sonier. Delicious refreshments were served. Carol Ann received many lovely and useful gifts.

Among those present were: Jerry Ladner, Ronnie Ferrel, Norma and Norman and Lawrence Sonier, Budie Ladner, Anna Mae Oliver, She Pucheu, Clyde, Sarline and Forest Bourgeois, Bradley, Bobbie, John Suzette and Carolyn Carver, Mel, Vital and Dorothy Netto, Marilyn and Richard Noonan, Ray Ann Favre, Jeanette Saucier, Elaine Yarborough, Butchie Kay, Ronnie Bourgeois, Patsey and Travers Bozeman, Jr., Brenda Ann Brechtel, Linda Ann Mazarakis, Erwin and Jerry Ladner, Mrs. Grace Ann Wilson, Mesdames Lottie Ladner, Lee Ferrell Edgar Bourgeois, Edith Pecsau, Hilda Stathopoulos, Vital Bourgeois, Edna Necaise, Alfred Bourgeois, Buddy Bourgeois, Mr. J. W. Olsen, Mr. and Mrs. Toulaine Netto, Mr. and Mrs. Ray Favre, Mr. and

The Nema of the Little Theatre

Tryouts will be held at the theater building on Tuesday, March 8th, at 8 P. M., for the rollicking clever comedy hit "My Sister Eileen."

It is not necessary to be a member of the theater to participate in these plays, so anyone desiring to try for a role is more than welcome to come. This play requires a large cast, so it is sincerely hoped that many will be on hand for the casting. The performance is tentatively scheduled for the middle of May. The exact dates have not been decided so far, but will be announced later in this column.

Memberships are still coming in rather slowly, so may we again take this opportunity to remind you to send in your dues for your 1949 membership card.

Rehearsals are going full swing for the mystery thriller, "Ten Little Indians," which will be shown at the Little Theatre on the nights of March 31st April 1st and 2nd. This is a revised date, one week later than originally scheduled, so please be sure to keep one of these nights free, as you will not want to miss this excellent performance.

Mrs. Herman Yarborough, Mr. and Mrs. J. Kay, Mr. and Mrs. Chester Bourgeois, Mrs. Sidney Bourgeois, Mr. and Mrs. O. F. Bozeman, Mr. and Mrs. Frank Carvin, and Mr. and Mrs. M. A. Castro.

Miss Shirley Turcotte and Miss Beverly Bourgeois spent several days in New Orleans during the Carnival season. While there they were the guests of Mr. and Mrs. Jake Schwander and children, Linda and Jake.

Misses Audry, Catherine and Beverly Bourgeois, Bobbie Jenkins, and Shirley Turcotte entertained at the home of Mrs. Ducre Bourgeois, on Monday, February 21st at 7:00 P. M. at a miscellaneous shower complimentary to Mrs. Theresa Bordages Schmidt.

The hostesses presented the honoree with a corsage of pink camellias. The color scheme was carried out in pink and white. On each side of the chair in which the bride set were decorated baskets holding all the lovely gifts.

On a table was a doll house surrounded by imitation grass and a flower garden where a miniature bride and groom and maids stood.

The bride's table was covered with a lace cloth on which pink carnations were used in a novel arrangement. In the center was the wedding cake topped with a miniature bride and groom.

Refreshments of chicken salad sandwiches, soft drinks and cakes were served. The guest list includes: Mesdames H. K. Holderith, Garfield Ladner, Ory Bourgeois, Ed. Qipson, Alfred Bourgeois, Sylvan Ladner, Sidney Bourgeois, Guy Drew, Adele Tucker, Henry Bourgeois, Stanley, Weidman, Willie Bourgeois, Mary Lou Parsons, Frank Bourgeois, Arvil Jenkins, Beryl Murtagh, Paul Soldinie, Vital Bourgeois, Bob Condon, Janet Harrison, C. Schwartz, Tom Bourgeois, Turner Soldinie, Santos Saucier, Ben Bourgeois, Lanell Slocum, L. A. Rogers, Randolph Bourgeois, Roger Bordages, P. J. Bourgeois, Ernest Bourgeois and Fred Bourgeois.

Misses Rosemary Holderith, Doris Carrio, Lorraine Villere, Joy Starita, Patsy Gex, Gloria Necaise, Ann Jenkins, Mable Bourgeois, Gertrude Johnson, Bernadine Bourgeois, Evelyn and Margaret Turcotte, Laboria Bourgeois and Marian Bourgeois.

News Of Our Colored People

GENEVIEVE HARRISON, REPORTER

—Dr. P. Q. Yancey of Atlanta, Ga., along with his brother Patrick Yancey, brother-in-law, Fabian Labat, sister-in-law, Miss Veronica Labat, and Mrs. E. Lacy, motored down to Bay St. Louis to join his wife Mrs. Clothilde Yancey and children. After which they went to New Orleans for the Carnival season. All were guests of Miss Portia Labat.

—Alonzo Daniels, Jr. and cousin Marian Spann, were among the many visitors in New Orleans for the Carnival season.

On Friday, February 25 "The Old Ship of Zion," a religious pageant was presented by the pastor and members of the First Baptist Church for the benefit of the reconstruction of their church that was destroyed by the hurricane. Rev. Peters and his congregation are to be congratulated for their untiring efforts in making this program a success. Turkey dinners, with all trimmings, with cake for dessert were sold by Mrs. Hayward, who appreciates the kind assistance and patronage of all. Special thanks are extended to Mayor Warren Carver by Mrs. Hayward for his contributions toward making her effort a success.

These two high school teams of Bay St. Louis are today playing in the Gulf Coast Basketball Tournament at St. Theresa gym, Gulfport. St. Rose's last game was played Friday night, Feb. 25 here in their gym. They closed a favorable scheduled season in their gym with Our Mother of Sorrow, (O. M. S.) High School of Biloxi. St. Rose's girls team showed themselves well in form as they won their game 29 to 16 with Odele Reed taking high point honors with 14 points and Clementine Smith not any ashamed as she scored 13 points.

The Junior Boys of St. Rose were a little outclassed and lost their game 34-20.

The varsity boys' game was one that kept everyone on their toes, for with the fast scoring of each quarter, it was plain to see that only time would be able to present the winner and it did. St. Rose ran out and O. M. S. showed up three points better, score 80-77. Sorry was St. Rose to lose, but pleased with their showing as this is one of the highly favored teams in the Gulf Coast tournament. St. Philomena School of Pass Christian, the elementary girls of St. Rose, the C. Y. O. of Pass Christian and St. Rose's Varsity girls teams played here again on Sunday afternoon. St. Rose's elementary girls lost 21-13, but the varsity girls team of St. Rose had their fun winning 45 to 17.

To Be Consecrated Bishop March 9

The Rev. Girault McArthur Jones, Bishop-Elect of Louisiana; Mrs. Jones, Elizabeth Girault (left) and Virginia Kathleen Jones.

The Rev. Girault M. Jones, who began his life and ministry in Mississippi, will be consecrated Bishop of Louisiana in Christ Church Cathedral, New Orleans, on Wednesday, March 9th.

Because of the limited seating capacity of the church, tickets for the service are being very strictly rationed, but the service will be broadcast in part by station WNOE from 11:30 to 12:30 o'clock. Recordings of the complete service will be made for later distribution.

The Presiding Bishop of the Church will be the consecrator. Co-consecrators will be Bishop Juhan, of Florida, and Bishop Gravatt of Upper South Carolina. Bishop Gray of Mississippi, and Bishop Carruthers, of South Carolina, will be the presenters. A number of other bishops have also accepted invitations to take part in the service.

The Bishop-elect was born at Centerville, Miss., where he was baptized at home since there was no church there at that time. Confirmed in St. Paul's, Woodville, he was also ordained there as deacon in June 1928.

His ordination as priest was at St. Alban's church, Lumberton, of which he was the first and only resident minister, on May 19, 1929.

As lay reader while vacationing from Sewanee, he was in charge of services at Trinity Church, Hattiesburg, in 1926 and of the churches in Winona, Vaiden, Carrollton and West in 1927. As deacon he took charge of St. Alban's Church, Lumberton, and continued these as priest in charge, serving also St. Paul's Picayune (organized as a mission under his ministry in 1929), and unorganized groups in Columbia, Poplarville, Carriere, Wiggins and Purvis.

In February, 1931, he became rector of Trinity Church, Pass Christian,

while retaining all of his previous work in the St. Alban's field. About 1934 or 1935 he added Christ Church, Bay St. Louis, to his care.

Mr. Jones became rector of St. Andrew's Church, New Orleans, in July, 1936. Since then he has been active in the Diocese of Louisiana. At the time of his election as bishop of Louisiana he was president of the Standing Committee of that diocese. Two other brothers are in the ministry of the Church, the Rev. Cecil B. Jones, of Columbus, Miss., and the Rev. Winfred P. Jones, of Palatka, Florida—The Church News, Feb. 1949.

Soil Conservation News

By J. L. Bishop, Soil Conservation

Mr. D. E. Lauderdale, Area Forester with the Soil Conservation Service, visited Hancock County Soil Conservation District on Saturday, February 18th. Mr. Lauderdale's visit was in response to a request for assistance with forestry problems on Fred C. Taylor's farm, a Cooperator with the District on Texas Flat road in Kiln community.

Mr. Taylor is interested in making a harvest of mature trees, cutting inferior bottom-land hardwoods which are crowding young slash pines and converting into pulpwood. Mr. Taylor expects to cut poles and pilings first, then cut saw logs and converting tops into pulpwood, thus giving him additional units of pulpwood which ordinarily would have been wasted. Pulpwood cutting will be the last operation. Some hardwood saw logs will be cut also. In

the open places where pine reproductions are insufficient for a stand, Mr. Taylor will plant 5000 slash pine seedlings during the winter of 1950 in these areas. Pine seedlings will be added each successive year until all open area is planted. Mr. Taylor plans to construct a firebreak and fence around the woodland boundary in order to protect from fire and livestock.

Mr. Lauderdale discussed the accepted method of thinning and the use to be made of various size trees to be removed from the standpoint of greatest return to Mr. Taylor. He also advised Mr. Taylor, as to the best species of pine to plant, best spacing and rate per acre for planting, fire control, grazing and various other problems connected with growing high quality trees.

This is one of the services available to the Cooperators of the Hancock County Soil Conservation District through the Soil Conservation Service.

NOTICE TO ALL BIDDERS

INCREASE SHOWN IN FHA LOAN PURCHASE PROGRAM

An increased demand for loans for the purchase, improvement, or en-

largement of farms under the recently enacted Insured Farm Mortgage program has been announced by the Mississippi Farmers Home Administration.

State Director T. B. Fatheree said the agency is primarily interested in the promotion of home ownership and of good farming on family-type farms.

Under the insured loan authorities given in the Farmers Home Administration Act, the Secretary is authorized to insure loans for the full amount of principal and interest under certain prescribed conditions. It was also pointed out that the leader is protected for the full amount of the loan and that in the event

legal action is necessary, such action is handled by the Farmers Home Administration without recourse insofar as the leader is concerned.

According to the Director, approximately 4500 loans have been made and 770 borrowers have repaid their loans in full. "The soundness of this type credit has been fully demonstrated," said Mr. Fatheree. "It is expected that the demand for the insured loan will increase very rapidly as soon as land prices stabilize themselves at a somewhat lower level than at present, and as soon as construction costs decrease."

ZIPPER FACTORY TO BE LOCATED AT MORTON

The first Southern plant for Talon incorporated, nationally known manufacturers of slide fasteners, will be located at Morton. This location was selected after eight months of negotiations with Morton citizens, members of the A and I Board, and representatives of the Mississippi Power and Light Company.

Talon has purchased a \$60,000 building, which was erected with funds subscribed by private citizens of the community. Approximately 200 persons will be employed by the company, with an annual payroll of \$350,000.

With sales offices in twenty-two cities in the U. S., this is the first plant located in the South.

MOTOR VEHICLE REVENUE SHOWS GAIN OF \$80,000

According to Guy McCullen, Motor Vehicle Comptroller, collections

by the Motor Vehicle Comptroller's office were down \$266,943.74 in February as compared to January, but showed a gain of nearly \$80,000 over the same period a year ago.

Revenue from the gasoline, diesel, butane and other taxes collected by the office totaled \$1,654,071.080 in February. This compares with \$1,920,935.54 for January and \$1,575,932,066 for February of last year. Total collections in February of 1947 reached \$1,508,730.95.

CONSTRUCTION OF \$20,000,000 PLANT TO START IMMEDIATELY

Work on the rayon pulp mill will be started immediately, according to an announcement made by Jack M. Friend, vice-president of the International Paper Company's southern Kraft Division.

The plant will have an annual capacity of 100 tons for dissolving pulp used by the manufacturers. The company is expected to employ around 800 people and have an annual payroll of \$2,500,000. It has been established that the company will pay out \$2,750,000 to farmers, for pulpwood.

SITE FOR AMMONIA PLANT TO BE DECIDED SOON

Site for the proposed \$12,000,000 anhydrous ammonia plant to be built by the Mississippi Chemical Corporation is expected to be made at a meeting on March 17th. Decision as to the actual location awaits the bid of one gas company. Two others having already submitted figures to the directors.
